Holodomor Research and Education Consortium – HREC Education
Holodomor Research and Education Centre - HREC in Ukraine

The Ministry of Education and Science of Ukraine expresses its sincere gratitude to the teams of the Holodomor Research and Education Consortium (HREC–Education) and the Holodomor Research and Education Centre (HREC in Ukraine) for their significant contribution in revising the content of the school curriculum in Ukrainian history, conducting national training seminars for methodologists of postgraduate pedagogical institutions and the teachers of the "New Ukrainian School: learning/knowledge about the Holodomor and other genocides," for the International Interdisciplinary Competition of Scientific and Artistic Works named after Volodymyr Maniak and Lydia Kovalenko, and for the specialized summer schools for young teachers of Ukraine, etc.

We would like to express special words of gratitude to Ms. Valentina Kuryliw and Ms. Lyudmila Hrynevych for the high level of organization of their academic and methodological work, and the unity and purposefulness in their implementation of the defined tasks.

The Order of the Cabinet of Ministers of Ukraine dated November 25, 2022, No.1055-r approved the plan of activities for 2022-2023 in connection with the 90th anniversary of the Holodomor of 1932-1933 in Ukraine–the genocide of the Ukrainian people.

According to the decree, in 2023, a national online forum is planned, "The Power of Memory: young people talk about the Holodomor," for the VIII International Interdisciplinary Competition of Scientific and Artistic Works named after Volodymyr Maniak and Lydia Kovalenko, an International Scientific Conference, an All-Ukrainian Competition of Young Historians on the Topic of the Holodomor of 1932-1933 in Ukraine–the genocide of the Ukrainian people, All-Ukrainian Seminars for Methodologists of post-graduate pedagogical education institutions [*institutions for additional qualifications in pedagogical education*] and teachers of the "New Ukrainian School: learning/knowledge about the Holodomor and other genocides," and conducting the 6th Summer School for young teachers on the topic of teaching the Holodomor of 1932-1933 Ukraine–the genocide of the Ukrainian people.

We hope for further support and cooperation in the organization and implementation of measures to enhance the teaching of the Holodomor and other genocides and improving the content of the school curriculum in Ukrainian history.

Best regards,
Minister
